

2023-2024 Federal Direct PLUS Loan Application

Before applying for a PLUS loan, your student must have a valid FAFSA on file with Hudson Valley Community College and be eligible for federal financial aid. Your student must also be continually enrolled and participating in at least 6 degree-applicable credit hours for you to borrow this loan and receive disbursements.

Facts about the PLUS loan:

- PLUS Loans can be borrowed to pay for your dependent student's educational expenses.
- A credit check will be performed when you apply online. Applicants who do not pass the credit check may be able to receive the loan if they obtain an endorser and complete mandatory PLUS loan counseling online at www.studentloans.gov.
- Borrowers must meet citizenship requirements and not be in default or owe a repayment to a Federal Student Aid program.
- The yearly limit on a PLUS loan is equal to the student's cost of attendance minus all other financial aid available (including but not limited to grants, scholarships, and federal student loans). Contact the Financial Aid Office for your limit.
- Loan funds are applied to the student's tuition account to pay any balance outstanding at the time of disbursement. Any remaining funds not used to pay a balance are refunded to the parent.
- Any portion of the loan can be cancelled within 14 days after the parent is notified that the funds were credited to the tuition account, or by the first day of the payment period, whichever is later.
- The interest rate on PLUS loans is currently **7.54% but is subject to change**. Interest begins accruing with the first disbursement of funds.
- There is an origination fee deducted from each disbursement of the loan to help reduce the cost of the loans. The fee is currently **4.228% but is subject to change**.
- Repayment begins within 60 days after the final loan disbursement for the period of enrollment for which the loan is borrowed. There is no grace period for these loans.
- There are 3 repayment plans: Standard, Graduated and Income-Contingent Repayment.
- There are tax incentives, such as deductions for student loan interest paid. Please see your accountant for information.
- Under certain circumstances, borrowers may receive a deferment or forbearance on their loan, as long as the loan is not in default. Information on deferment and forbearance can be obtained by calling your loan servicer.
