BMP Art #3

TITLE: SINK USAGE

Regulatory Citation: Rensselaer County Sewer District Number 1 Regulations

Applicability: The rinsing of any containers or disposal of their contents into the sink.

Purpose: To ensure that sewer discharges do not violate the County sewer regulations or damage/clog receiving pipes

Person or Department Responsible: Associate Professor for Fine Arts

Schedule: As needed

Procedure: The disposal of chemicals or art materials to the sink is prohibited. Rinsing of empty containers is allowable, but disposal of chemicals from their container by dumping in the sink is not allowed. See BMP #4 for proper disposal of unused chemicals.

Discharge of materials that can clog drains is prohibited, such as food grease and other wastes which are to be disposed of in drums and dumpsters, respectively. In addition, RCSD prohibits:

- Discharges that by their nature cause fire or interferences at the POTW;
- Discharges at such a temp that would prohibit biological activity; and
- Discharges with a pH of less than 5.5 or above 9.5.

If chemicals, oils or a condition noted above has been or is suspect to have been discharged to the sanitary sewer then the Coordinator of Environmental, Health and Safety must be contacted immediately.

Record keeping: Not applicable

Record Location: Not applicable

Contact: Coordinator of Environmental, Health and Safety (629-7163)
Associate of Fine Arts (629-8009)
