BMP Chemistry/Biology #4

**TITLE:** SEGREGATION OF NON-CONTAMINATED GLASS

**Regulatory Citation:** N/A

**Applicability:** Waste glass

**Purpose:** To ensure that downstream handlers of waste are not exposed to injury from broken glass/sharps

**Person or Department Responsible:** Biology, Chemistry, Physics Department Chair

**Schedule:** As needed

**Procedure:** Uncontaminated glassware or other sharps will be disposed in a separate container provided by Technical Services. The container will be labeled, "Uncontaminated Glass". Faculty will instruct their students on the importance on only placing uncontaminated glass in these containers, and no paper or other debris

**Record keeping:** Not applicable

**Record Location:** Not applicable

**Contact:** Biology, Chemistry, Physics Chair 629-7453  
Director of Environmental, Health and Safety (629-7163)
