## **BMP Print Shop #7**

**TITLE:** WASTE INK SOLVENTS OR SOLUTIONS

**Regulatory Citation:** 6 NYCRR Part 362

**Applicability:** Disposal of Waste Ink Solutions and Dispersants

**Purpose:** Proper Disposal of solvent based waste products

**Person or  
Department Responsible:** Print Shop Supervisor (629-7838)

**Schedule:** As needed

**Procedures:** Whenever waste solvent based ink products are generated, the printer operator will place the waste in a flammable container labeled “**Electrostatic Dispersant and other Ink Solvent Waste**” located in the Print Shop. The container must be labeled “Hazardous Waste Flammable” and must be kept closed unless actively adding waste. The container must not be moved from the Print Shop. When container is full, call the Director of Environmental Health and Safety (629-7163) to arrange for removal of the waste container by the College’s current hazardous waste vendor.

**Record keeping:** hazardous waste manifest

**Record Location:** EHS Office, environmental files

**Current Vendor:** Precision Industrial

**Contact:** Print Shop Supervisor (629-7838)  
Director of Environmental Health and Safety (629-7163)
